Profile

Software Engineer with **3+ years of professional experience** in designing and developing responsive, user-friendly web applications. Skilled in **React.js**, **HTML5**, **CSS3**, **JavaScript**, and **Java** with strong experience integrating **MySQL** databases via RESTful APIs. Successfully contributed to the development of **iPay-mobile money application** at Paytm, focusing on clean UI design, real-time data integration, and performance optimization. Proficient in version control using **Git/GitHub** and comfortable working in **Agile** teams. Passionate about building seamless digital experiences with high performance and scalability.

Technical Skills

- HTML5
- CSS3
- JS
- React JS
- MySQL
- Java
- Servlet
- JSP
- JDBC
- RESTful APIs
- Git
- Github

Soft Skills

- Problem Solving
- Eagerness to Learn
- Team Collaboration
- Adaptability
- Clean Code Practices

Work Experience

Software Engineer
Paytm, Feb 2023-Present

- Worked on iPay-Mobile Money Application, Built responsive user interfaces using React.js, HTML5, and CSS3 to enable smooth transaction processing and user dashboard views.
- Integrated frontend components with MySQL backend through RESTful APIs to fetch and display real-time data.
- Collaborated in an Agile team to implement secure UI modules such as wallet balance, transaction history, and payment workflows.
- Used Git/GitHub for code management, feature branching, and collaborative pull requests.

Project

CRUD Application for Phone Management System
Developed a web-based CRUD application to manage phone diary. The application allows users to add, view, update, search, and delete records in real-time.
Technologies used: HTML, CSS, JS, JAVA, Servlet, Spring Boot, MySQL, Git, GitHub
Link : github.com/gaurigawade2000

My Portfolio Website
Developed a fully responsive personal portfolio website to showcase my skills, projects, and achievements. Implemented interactive UI, animations, and a contact form.
Technologies used: HTML, CSS, JavaScript, Responsive Design, Git, GitHub, VSCode
